DATE

24th & 25th October 2026

VENUE

**Hotel Royal Orchid
Durgapura, Jaipur**

CONFERENCE BROCHURE

Welcome Message

It is our great pleasure to welcome you to this year's Spine Conference, where we come together with a shared commitment to advancing knowledge, refining surgical skills, and shaping the future of spine care.

With the theme, "From Fundamentals to Confidence—Building the Next Generation of Spine Surgeons," this conference is dedicated to strengthening the foundations of spine surgery while fostering the confidence required to excel in clinical practice. Through expert-led lectures, interactive case discussions, hands-on workshops, and meaningful academic exchanges, we aim to bridge the gap between core principles and real-world surgical decision-making.

Whether you are a resident, fellow, or practicing surgeon, we hope this conference will inspire continuous learning, encourage collaboration, and empower you to embrace innovation while upholding the highest standards of patient care.

We sincerely thank our distinguished faculty, delegates, and partners for being part of this educational journey. Your enthusiasm and participation are what make this gathering truly meaningful.

We wish you a rewarding, enriching, and memorable conference experience.

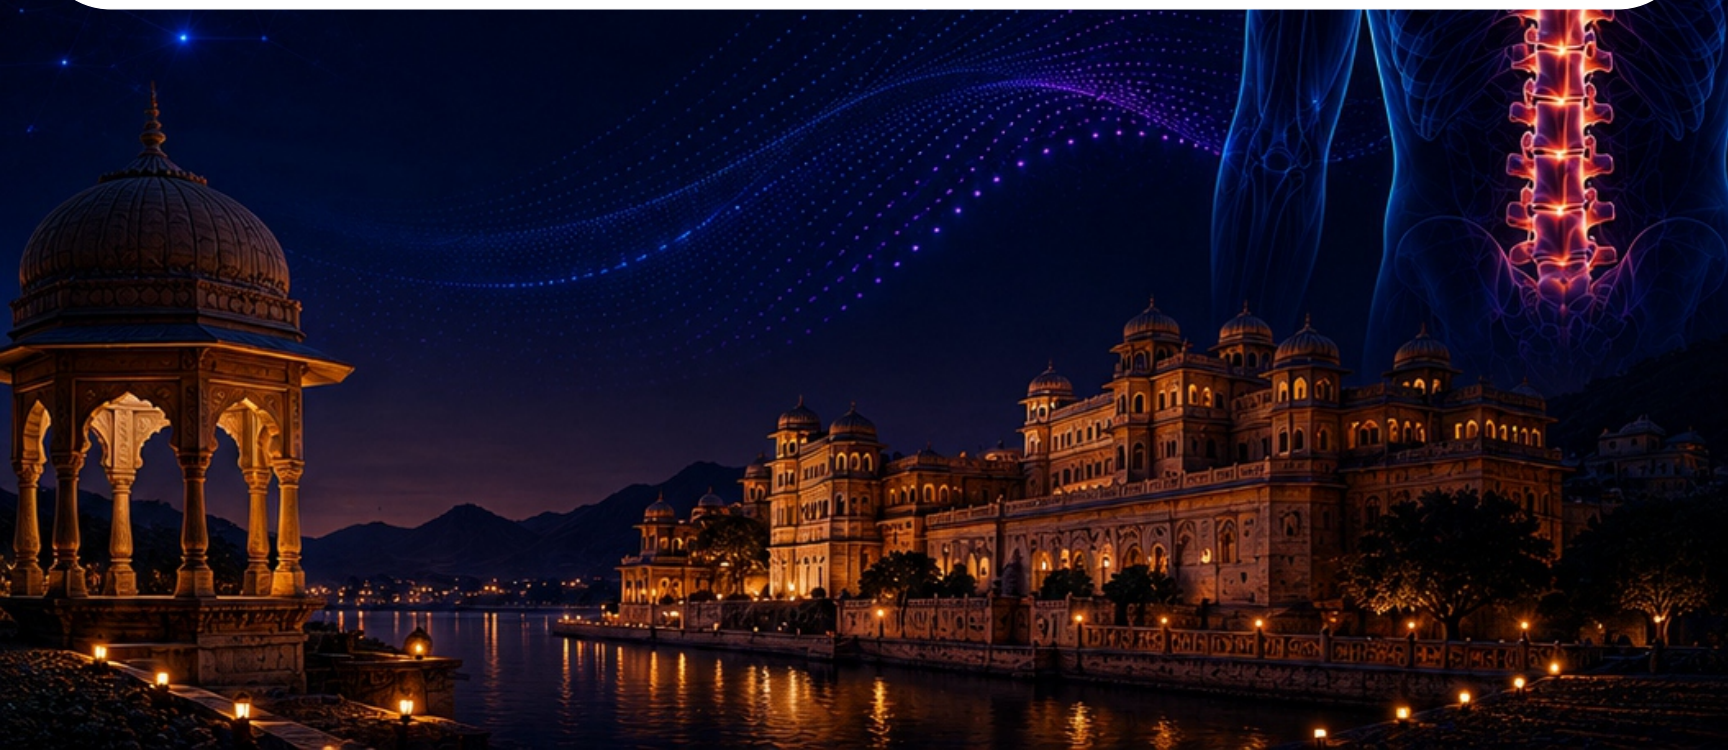

Welcome, and let us learn, collaborate, and grow together.
